

What information do we collect?

We collect information from you when you register for our mobile app.

When registering on our app, as appropriate, you may be asked to enter a username and password. You may use the app without registering.

We also collect information about the statistics of how you play including when you use the app and how long you use it for.

What do we use your information for?

Any of the information we collect from you may be used in one of the following ways:

- To offer online services including social leaderboards and a constantly updated content body
- To improve our app (we continually strive to improve our app design based on the information and feedback we receive from you)

How do we protect your information?

We implement a variety of security measures to maintain the safety of your personal information when you access your personal information.

Do we use cookies?

We do not use cookies.

Do we disclose any information to outside parties?

We do not sell, trade, or otherwise transfer to outside parties your personally identifiable information. This does not include trusted third parties who assist us in operating our app, conducting our business, or servicing you, so long as those parties agree to keep this information confidential. We may also release your information when we believe release is appropriate to comply with the law, enforce our app policies, or protect ours or others rights, property, or safety. However, non-personally identifiable visitor information may be provided to other parties for marketing, advertising, or other uses.

Online Privacy Policy Only

This online privacy policy applies only to information collected through the online services of our app and not to information collected offline.

Your Consent

By using our app, you consent to our privacy policy.

Changes to our Privacy Policy

If we decide to change our privacy policy, we will post those changes on the third party distribution service for our app.

This policy was last modified on 10/31/2015
